FUNDS IN COURT
SUPREME COURT OF VICTORIA

MESSAGE FROM THE SENIOR MASTER

I write to you to say that we are doing everything we can to assist you all during this very difficult time.

As long as it is within our power the office will not shut down. We will continue to provide you with the best possible support and advice but please be patient if there are some delays in responding to your requests.

We will be doing our very best to respond within a reasonable period. Our office hours may become shorter, however, there is an awful lot of work being done to make sure we maintain our support for all our beneficiaries and their carers.

We will be providing regular updates on the FIC Website.

Best wishes

Associate Justice John Efthim
Senior Master
